

## **Tracy Watts**

Senior Partner  
Mercer  
Washington, D.C.

---

Tracy Watts is a Senior Partner and U.S. leader for health care policy at Mercer. A consultant with Mercer for over 35 years, she's widely quoted as a spokesperson for Mercer's survey of employer sponsored health benefit plans and is a lead contributor on Mercer's U.S. Health News blog. Tracy is ex-officio Board Chair of the American Benefits Council, on the executive steering committee of The Alliance to Fight for HealthCare and the Business Advisory Council for the Health Action Alliance (HAA). She leads Mercer's involvement with the National Commission on Climate and Workforce Health and Business Action to End HIV and was named a "Top 25 Consultant" for excellence in health care by Consulting® Magazine. She frequently represents employer interests to policymakers in Washington DC and has testified before Congress on several occasions.
