**Vice President, Strategic Risk Management  
CAAT Pension Plan  
Toronto, Ontario**

Andrew Whale joined the CAAT Pension Plan in 2020, where he is currently vice president, strategic risk management, leading a team of pension professionals that combine a deep expertise in asset liability modelling, actuarial analysis and risk management with innovative problem solving. At CAAT, Andrew is accountable for identifying risks related to the long-term strategy, providing oversight to support management of these risks, and driving initiatives to mitigate these risks and capture strategic opportunities. Prior to joining CAAT, he was a principal at Mercer. Andrew has spent his career helping Canadian pension plans achieve their unique risk management objectives and integrating these objectives within their strategy. He earned a bachelor of science degree (with honours) from Queen's University. Andrew is a fellow of the Canadian Institute of Actuaries (FCIA) and the Society of Actuaries (FSA). He is also a Chartered Financial Analyst (CFA) charterholder.
