

Bryan White

Senior Consulting Actuary

Foster & Foster Consulting Actuaries, Inc.

Haddonfield, New Jersey

Bryan is a senior consulting actuary with Foster & Foster. He has more than 13 years of experience as an actuary, specializing in the statutory and funding requirements of Taft-Hartley pension plans across a wide range of industries and geographic locations. Bryan holds a bachelor of science degree in mathematics and secondary education from Seton Hall University. Prior to becoming an actuary, Bryan taught high school mathematics for two years. He is an enrolled actuary per ERISA and a member of the American Academy of Actuaries.
