

Zachary Willenbrink

**Shareholder
Godfrey & Kahn S.C.
Milwaukee, Wisconsin**

Zach Willenbrink is a shareholder on Godfrey & Kahn's Litigation and Data Privacy, Cybersecurity & Technology teams. He represents clients in technology disputes, including data breaches and privacy class actions; guides businesses through breach response; and advises clients on strategic decisions and compliance relating to AI, cybersecurity, and privacy. Zach previously worked as in-house counsel for a Fortune 500 manufacturing and automation company, where he led the legal team's privacy and cybersecurity functions. He also developed and teaches the Cybersecurity: Law and Practice course at Marquette University Law School.
