

Benjamin Wu

Managing Director
HarbourVest Partners, LLC
Toronto, Ontario

Benjamin Wu joined HarbourVest Partners in 2017 and leads origination, diligence and execution on a full range of infrastructure and real assets investments. He joined the Firm from OMERS Infrastructure where he was responsible for the evaluation and monitoring of investment opportunities in digital, energy and power, and social infrastructure. Prior to that, Benjamin worked with the Ontario Teachers' Pension Plan's private equity group and began his career in investment banking at BMO Capital Markets. He received a bachelor of commerce degree from the University of Guelph.
