International Foundation
OF EMPLOYEE BENEFIT PLANS 

Certificate in Global Benefits Management

This certificate provides a thorough education in the critical areas of multinational benefits management. Global industry experts will provide a solid foundation in international benefits and an enhanced understanding of the differences in benefit packages offered around the world.

NEW FORMAT! You can now earn the Certificate in Global Benefits Management by taking three, two-day, in-person courses. As part of the Employee Benefits Courses and Certificates program, the courses can be taken back-to-back or over time. Most courses are offered twice per year.

Required Courses:

Global Benefits Strategy

Gain the knowledge and strategies needed to administer and manage a global benefits program. This course will help practitioners strengthen their global benefits expertise and better support a diverse, international workforce.

April 27-28, 2026 | Scottsdale, Arizona
September 28-29, 2026 | Orlando, Florida

Global Benefits: Regional Compliance and Trends

International benefits professionals will gain an understanding of variations in benefit programs worldwide, as well as stay current on global, regional and country-specific economic and workforce trends.

April 29-30, 2026 | Scottsdale, Arizona
September 30-October 1, 2026 | Orlando, Florida

Elective Courses—Choose One:

Canadian Benefits Plan Administration

This is an introduction to the world of Canadian employee benefits, pensions and human resources practices. Gain a comprehensive understanding of the business environment and delve into the complexities of health care and retirement systems.

October 2-3, 2026 | Orlando, Florida

Communicating Employee Benefits

Hone in on effective communication strategies for employee benefits, covering best practices, new technologies and how to measure success. Learn from experts and peers to enhance your communication approaches, ensuring your plans are more engaging and impactful for participants.

May 1-2, 2026 | Scottsdale, Arizona
October 2-3, 2026 | Orlando, Florida

Organizational Strategies for Health and Financial Wellness

Equip yourself with the tools to promote holistic employee well-being, addressing the health and savings disparities intensified by the pandemic and inflation. Explore tailored strategies to enhance physical and financial well-being, leaving with actionable approaches to boost employee engagement and meet diverse workforce needs.

April 27-28, 2026 | Scottsdale, Arizona
