

Carrie B. Cherveney, Esq.

**Senior Vice President, Strategic Client Solutions
HUB International
Winter Park, Florida**

Ms. Cherveney is the senior vice president of strategic client solutions in HUB International's risk services division. She has 20 years of combined experience in employee relations, human resources, employment law, and employee benefits legal guidance. Ms. Cherveney works closely with clients to identify compliance risks across the organization and develop responsive strategies and solutions that ensure compliance and further the overall organization goals. She partners with HUB clients in various industries such as hospitality/restaurant, medical/hospitals, manufacturing and white-collar businesses to identify various organizational risks and develop responsive strategic solutions. Previously, Ms. Cherveney served as the chief compliance officer for the Southeast Region of HUB International, supporting the organization's Employee Benefits Division. In this role, she was responsible for providing compliance and consulting services regarding general health plans, ACA, ERISA and other legal matters involving employee benefit programs. Most recently, Ms. Cherveney was general counsel and vice president for a national PEO, designing and developing client compliance strategies and solutions. While working previously as a partner in a West Palm Beach Employment Law firm, she focused her practice in the area of employment litigation and employee relations in both state and federal courts. Ms. Cherveney has represented private sector employers in litigation under Title VII, ADA, ADEA, FLSA, FMLA, Florida Civil Rights Act and Florida Whistleblowers' Acts. She received bachelor's and master's degrees in speech communication from the University of South Florida. Ms. Cherveney earned a juris doctor law degree from the Stetson College of Law and passed the Florida Bar exam, becoming licensed to practice law in the state of Florida.
