

Robert Sica

**Technology Manager
New England Carpenters Benefit Funds (NECBF)
Wilmington, Massachusetts**

Mr. Sica is the technology manager at New England Carpenters Benefits Funds. He has more than 25 years of experience working in all facets of software design and development in the financial and benefits administration realm. Having worked in both start-up and established publicly-held organizations in roles from programmer through senior management, Mr. Sica is now focused on using this experience within a fund office setting to enhance and expand how software and technologies can be used to modernize processes and improve services to members.
