

Robert Espinosa, M.B.A.
Senior Director of Health Outcomes
Well
Boston, Massachusetts

Robert Espinosa is the senior director of health outcomes at Well. He brings over 15 years of experience assessing the impact of health care interventions using real-world evidence, as well as conducting general impact evaluations across a broad range of industries. Prior to joining Well, he worked with biopharmaceutical companies to address market access issues, including price analyses and payer assessments. He has a master's of business administration degree from the Haas School of Business at the University of California, Berkeley, and a bachelor's degree in economics from Boston College.
